

January 2025

Bulletin

PARAMODON 4way-challenge 2025 nationwide FS Rookie, A, AA, AAA competition

The goal of the challenge is that at each registered drop zone in Germany and these in the period from June 28 to July 26, 2025, a decentralized competition can be held. In all 4way classes (A, AA, AAA) can be started. The Code Sportif will be applied. The model of the NSL will be transferred to the FS 4way, but with the official dive pools.

- Organizer:** **PARAMODON** Fallschirmsport Illertissen e.V.
- Time and place:** **June 28 – July 26, 2025**, conducted and organized by **PARAMODON** Fallschirmsport from the drop zone Illertissen EDMI. Each registered skydiving center/drop zone can join the challenge with its registered teams at its location.
- Competition:** 5 rounds, Code Sportif, current competition program 2022, of the DFV/NSL/ESL Rookie, Beginner (A), Intermediate (AA) and Open Class (AAA).
- Judge:** Deviating from the WDM and the FAI rules, the competition can be scored by a registered referee or in the responsibility of the jump site manager. The results will be reported to info@paranodon.de. In case of disputed issues, the corresponding videos will be sent in and scored at the organizers judge. The organizer can also take samples of the results by an FAI judge. Judging support by "EXI" Dr. Rainer Hoenle.
- Competition Management:** Gerd Haussmann / Robert Troegele
- Aircraft:** As available, left or right door
- Jump price:** To be paid on the hosting drop zone where the competition takes place

Registration: until June 1st, 2025 at:
PARAMODON Fallschirmsport Illertissen e.V.
Robert Troegele
Buechsengasse 12,
D 89073 Ulm
email: info@paranodon.de
Phone Robert: +49 172 2882080
more info at: www.paranodon.de

Draw: from June 27, 2025 on our website www.paranodon.de, on social media or on request as an email (slightly delayed, approx. 9 p.m.).

Others: The jumps can be jumped at any registered or participating jumping site/drop zone. The evaluation is ensured by a registered responsible person (on site), and the results are reported. **We assume sportive fairness and honesty.**
All classes will be considered with their current programs. The nationwide winner of the Challenge in the Rookie, A, AA and open class will be determined. Likewise the competition winner is determined with international participants and also here the classes are evaluated individually.

Robert Troegele

Data protection information for participation in the **PARAMODON** 4way Challenge according to DS-GVO

Data protection information for participation in the Paranodon 4way Challenge according to GDPR Compliance with data protection regulations is very important to **PARAMODON** Fallschirmsport Illertissen, represented by R&r Airwork GmbH, Deinselgasse 13, 89073 Ulm (hereinafter Paranodon). As part of the implementation of the **PARAMODON** 4way Challenge, we would like to inform you about how Paranodon processes your data and what options exist for contacting you if you have questions about data protection.

1. Data processing as organizer of the competition

For the implementation of the **PARAMODON** 4way Challenge, Paranodon processes the following data in accordance with Art. 6 § 1 lit. b DS-GVO, provided that they have been made available to us:

- 1.1 Personal information (name, e-mail, telephone number)
- 1.2 Name of the team, position of the jumpers in the team, jump location
- 1.3 Results of the jumps and rank in the competition
- 1.4 Pictures and videos of the participants and the jumps

2. Use of data based on your consent

When participating in the challenge, the information name, team name, position in the team, jump result and rank in the competition, jump location, pictures and videos will be published with your consent in accordance with Art. 6 § 1 lit. a DS-GVO on the Internet on www.paranodon.de, on pages of social networks (e.g. Facebook) of Paranodon and on messenger services (e.g. WhatsApp) under the number +49 171 4023709. Furthermore, this data will be made available to the German Parachute Sports Association, the National Skydiving League and other jumping sites and persons participating in the competition.

3. Obligation to provide data

There is no obligation on our part to provide the personal data to third parties in the context of the implementation of the competition.

4. Data Protection Officer

You can contact Paranodon's data protection officer at:
Gerd Haußmann, Zum Flugplatz 2, 89257 Illertissen,
gerd@paranodon.de, Phone +49 171 4023709

5. Recipients of data and data sources

As far as legally permissible (see points 1-3), Paranodon passes on data to external bodies and service providers:

- a) Paranodon Fallschirmsport Illertissen e.V.
- b) WordPress (IT provider)
- c) Facebook, WhatsApp, Instagram

6. Storage period

The data provided will be kept for archival, press and statistical purposes and will only be deleted after request.

7. Rights of data subjects

Paranodon is responsible for the processing of your data. You can request information about the data stored by you at any time and its correction in the event of errors. Furthermore, they may request the restriction of processing, the portability of the data provided by them in a machine-readable format or the deletion of your data, insofar as they are no longer needed. In addition, you have the right to object at any time to the use of your data based on public or legitimate interests. If we process your data on the basis of your consent, you can revoke this consent at any time with effect for the future. Upon receipt of your revocation, we will no longer process your data for the purposes stated in the consent.

Please send your revocation and objection to:

R&r Airwork GmbH

Deinselsgasse 13, 89073 Ulm

info@paranodon.de

8. Right of appeal to a supervisory authority

You can contact a supervisory authority with a complaint at any time. The body fundamentally responsible for R&r Airwork GmbH is:

Dr. Stefan Brink, P.O. Box 10 29 32, 70025 Stuttgart, Germany,

+49 711 6155410, poststelle@lfd.bw.de.

Alternatively, you can approach the supervisory authority locally responsible for you.

Declaration of consent according to Art. 6 § 1 lit a DS-GVO for the transfer of personal data for participation in the **PARAMODON 4way Challenge on application**

Surname

First Name

I agree that Paranodon may pass on the following data to Paranodon Fallschirmsport Illertissen e.V., the National Skydiving League and the German Parachute Sports Association e.V.: Name, team name, position in the team, jump result and rank in the competition, jump place, pictures and videos.

City, Date

Signature

The above declaration of consent is voluntary and can be revoked at any time. According to the DS-GVO and the Federal Data Protection Act (BDSG), every challenge participant has a right to information about the data stored by Paranodon as well as a right to lodge a complaint with a supervisory authority. The declaration of consent ends with the revocation of the competition participant.

Declaration of consent pursuant to Art. 6 § 1 lit a DS-GVO for the publication of personal data on the Internet for information on participation in the **PARAMODON 4way Challenge**

Paranodon operates its own websites and pages in social networks (e.g. Facebook). Paranodon hereby points out that sufficient technical and organizational measures have been taken to ensure data protection. Nevertheless, comprehensive data protection cannot be guaranteed when personal data is published on the Internet. Therefore, the person acknowledges the risks of a possible violation of personality rights and is aware that:

- the personal data can also be accessed in countries that do not have any data protection regulations comparable to the Federal Republic of Germany.
- the confidentiality, integrity (inviolability), authenticity (genuineness) and availability of the personal data are not guaranteed.

The person voluntarily makes the decision to publish his data on the Internet and can revoke his consent to Paranodon at any time.

I agree that Paranodon may publish the following data on the Internet on www.paranodon.de, on pages of social networks (e.g. Facebook) of Paranodon and on messenger services (e.g. WhatsApp): name, team name, position in the team, jump result and rank in the competition, jump place, pictures and videos

DIVE POOL all classes:

FS outdoor and indoor rules 2022

Currently, the FS Divepools and rules of A and AA classes differ significantly from the internationally applied rules. In 2022, these classes are to be raised to the international level in coordination between the national coach FS Indoor and the national coach FS Outdoor. The new rules are valid for competitions starting with the outdoor season 2022. At a glance applies internationally

Competition Classes:

Category	AAA/Open	AA/Intermediate	A Class	Rookie Class
Sequence	5 - 6 points	4 - 5 points	3 - 4 points	3 points
Random Formations	All	All	All	All
Blocks	22	16	8	None
Working Time	35 sec.	35 sec.	35 sec.	35 sec.
Exit Formations	IPC Divepool	AA Class Divepool	A Class Divepool	All Random Formations

AAA/Open Class

This is the current USPA Open/Advanced Class applying the whole IPC 2012 dive pool and rules.

AA/Intermediate Class

The AA Class is identical with the current USPA Intermediate Class. This class is the next step for teams and competitors that have mastered the Rookie Class and the A Class. Eight additional blocks (1, 11, 13, 14, 15, 18, 20, 22) without memory and mirror image and a little longer sequence are added to the rules of the A Class.

A Class

The A Class is the next step up after learning the basics of 4-way competition in the Rookie Class. The A Class applies the following eight blocks of the IPC dive pool: 2, 4, 6, 7, 8, 9, 19, 21. The sequence can be three or four formations long.

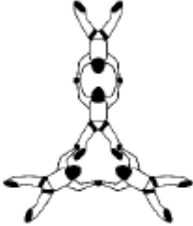

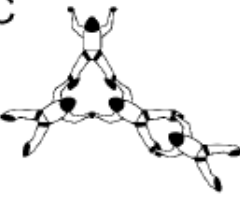

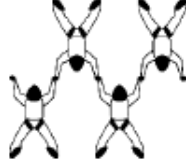

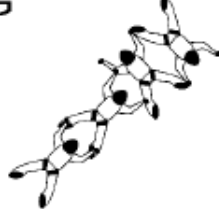

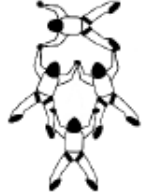

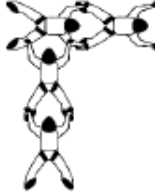

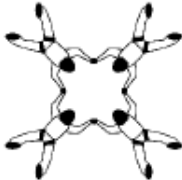

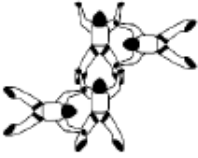

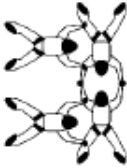

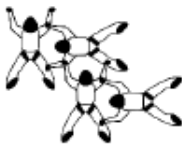

Rookie Class

This is the class for the beginners in the sport. The events of this class are an introduction to Formation Skydiving competition at the grass roots. The rules are synchronized between all participating leagues. This will fully include the Rookie Class teams in any possible prize giving. All 16 Random Formations will be used for the exits.

Rookie Class

This is the class for the beginners in the sport. The events of this class are an introduction to Formation Skydiving competition at the grass roots. The rules are synchronized between all participating leagues. This will fully include the Rookie Class teams in any possible prize giving. All 16 Random Formations will be used for the exits. 3 points per sequence.
